## Government of Alberta ■

Advanced Education and Technology

Asterisk denotes funding assistance available. See P. 47

### Our Vision

The mandate of Bow Valley Learning Council and Alberta Advanced Education & Technology is to provide quality adult education to the residents of the Bow Valley. It is our goal that all residents are able to access adult education courses provided. If, for any reason, you feel unable to participate in our adult learning opportunities, please contact the coordinator @ 403-762-8114 or email [info@bowvalleylearning.ca](mailto:info@bowvalleylearning.ca).

### Application for Course Funding Assistance – Our Community. Our Commitment.

With financial support from Alberta Advanced Education & Technology, and in collaboration with Hostelling International – Pacific Mountain Region, Bow Valley Learning Council is committed to the philosophy of lifelong learning and discovery. To encourage this philosophy, adult residents of the Bow Valley in financial need may apply for funding assistance on selected courses. To apply for one of these marked courses please complete the application form on page 47.
